

Sault College Student Board of Governor

Scope and Nature:

General Responsibilities

The Sault College Students' Union (SCSU) is in place to act in the best interests of all members as a means to improve their quality of education and student life experience. The organization facilitates, promotes and undertakes open lines of communications with the administration, faculty and staff at Sault College of Applied Arts & Technology and its formal partners. It provides its members healthy social activities that improves their experience and augments their studies and promotes and provides means for all members to become aware and involved in the Sault College community. Overall the SCSU is in place to protect the rights and advocate on behalf of the Students of Sault College of Applied Arts & Technology.

The Sault College Students' Union includes the election of the student representative on the Colleges' Board of Governors in its annual board elections. The position of Student Governor is not an SCSU position but a full voting member on the Sault College Board of Governors. While the Student Governor is expected to represent student opinion and bring forth student issues and perspective, they are required to act in the best interest of the college as a whole.

The Student Governor is invited and encouraged to attend all SCSU Board meetings to ensure there is a clear line of communication between boards. The Student Governor does not carry a vote on the SCSU board but is invited to bring forth information and provide updates where necessary.

The Board of Governors meets monthly from September to June on the 4th Thursday of each month in which the Student Governor must attend. The Student Governor must also be part of the Advocacy Sub-Committee which meets on the first Thursday of each month when required.

For more information students may reach out to Emily Hebert, Secretary to the Board, office located at the Sault College President's office or email Emily.Hebert@SaultCollege.ca
